GUSTAVE EIFFEL ROOM

.

The “Gustave Eiffel” reception room, located at the heart of France’s most iconic landmark, offers breathtaking views over Paris from a height of **57 meters.**

Renovated a few years ago, its transparent façades, which can be concealed with curtains, highlight a **6.20-meter** ceiling height, state-of-the-art equipment, a modular stage, and a contemporary design.

Total area

220 m²

Room capacity

Seated dinner : 100 persons
Seated Concert : 190 persons
Cocktail : up to 220 persons

Conference + cocktail : 120 persons
Showcase : 300 persons
